

LESSON PLAN AND CONTENT OF TUR171 TURKISH LANGUAGE I

LESSON PLAN

Target of lesson: The aim of the lesson is to examine grammatical features, word structure and spelling rules of Turkish. Examples, topics, and terms are given in English. The aim of teaching the course in English is to improve the English knowledge of the students. Also, phonetic features of Turkish, word emphasis, word types, noun phrases, punctuation structures, sentence types, suffixes used in Turkish, usage of punctuation marks and writing rules are given as English in this lesson.

Techniques of lesson: Expression, solving problem and discussion methods and brainstorming technique will be used in this lesson.

Outcomes of lesson: Students have detailed information about general features of Turkish and using this information in English at the end of course.
